## LIVE ACCORDINGLY

By David Schonhoff

As God's people were about to cross over the Jordan into the land God was giving them, He instructed Moses to set up large white-washed stones. In His instruction God tells Moses, "And you shall write very plainly on the stones all the words of this law," Dt 27:8. As if to say, "Here's My law. Make it plain. I want it read. All of it." I assume there must have been several stones to include all of God's law. Envision that moment – Along with the excitement of God's people marching toward this wonderful promised land, also came the sober exhortation as they were passing in front of a long corridor of very large stones with God's law written upon them. As if to say: "It's a package deal. I keep My promises; you keep My law. Along with My land, you get My rules." Live accordingly.

## THANK YOU

We were blessed with the love of our mother and she was truly blessed to enjoy fellowship with you, her Christian brothers and sisters. The beautiful spray of pink carnations and other flowers reflected the soft pinks she had chosen for herself. The food prepared by the ladies of the church comforted our family, and we were overwhelmed by their generosity. During recent years as her frailty increased, the brethren never forgot her and continued to share their love through frequent cards and constant prayers. Tony and I will always remember your love, and we thank you with words that are painfully inadequate for your faithful remembrance of our mother. God bless you in your continued ministry.

Tony and Linda Mines

## IT'S A BOY!

Congratulations to **Justin and Lacy Wood**, former CSC students who attended Central, on the birth of their son, **Braxton Lane**, born on Monday. He weighed 7 pounds and 6 ounces and was 21 inches long.

*"The fear of the Lord is the beginning of wisdom, and the knowledge of the Holy One is understanding."*

*Prov.9:10*

## HAITI CONTRIBUTION

Thanks to your generosity, the Central congregation sent \$2,825 to the Estes congregation in Henderson, Tennessee, to help the people in Haiti with housing construction, food, and medical needs. Estes has been involved in an ongoing work in Haiti.

## LADIES' RETREAT

Special thanks to **Becky Terrill, Ginger Weeks, Bridgett Williams, and Kerry Willis** for conducting devotionals, to **Melvina Brown and Lindsey Jordan** for the icebreakers, to those who prepared our meals and all the great snacks. **Mary Ellen Davis** and **Willene Shoemaker** worked hard on reservations, supplies, and the preliminaries we all take for granted.
